It's the ancient land of legends and kings, where empires were built and destroyed. Dreams and ideas came to fruition here, on the ceiling of the Sistine Chapel and in the grand halls of St. Petersburg. Today, the call of Europe is stronger than ever, with its brilliant mosaic of bygone eras and modern - day wonders. Stand at the base of the temple of Poseidon and it's as if you were at the threshold of modern civilization. But look beyond the hilltops of Athens, to the intricate canals of Venice or the gothic cathedrals of Spain; gaze northward to the shores of Normandy or the cliffs of Edinburgh; reach for the great Viking waters of Norway or the virgin tundra of North Cape. Only then will you begin to comprehend the scope and history of this most wondrous continent.

**Northern Europe:**

At this time, you need to have a travel advisor for interline rates on cruises in Northern Europe.

Sun, sand and surf - what more could you ask for? The Mexican Riviera is filled with rich culture, bright flavors, scenic vistas, and most definitely, fun in the sun. The La Quebrada cliff divers of Acapulco will leave you amazed at their daredevil flying feats. The cobbled streets of Puerto Vallarta's Malécon are ideal for a relaxing stroll. And the deep - water lagoons, coconut groves and laid - back attitude of Zihuatanejo provide a delightful taste of Old Mexico. Don't forget Mazatlan's long sandy beaches and the chance to spot humpback and gray whales off Cabo San Lucas.

There is so much to do and see on the Riviera. By day, swim, fish, shop or soak up the local culture. By night, savor the bold and fresh flavors of the region, like handmade tortillas and fresh guacamole, then pick up some new steps, dancing the night away to a salsa beat. It's time to go to the Mexican Riviera. Or, cruise up the West Coast of the United States to enjoy some of the world's best wineries, golf, shopping and entertainment.

South America is the sum of many parts. On the one hand, there are cities every bit as cosmopolitan as any found north of the equator. Then, there is the wild and untamed side, with lush rain forests and staggering mountain peaks that reach high into the sky. To get the most out of this exotic and diverse destination, experience it onboard a cruise, where your every desire is anticipated and your every wish fulfilled. ## RIVER CRUISES

A river cruise is one of the best ways to see Europe, Russia, China, or Inland America up close and in depth. Explore the best destinations in the world from an intimate perspective, spending your time being there, not getting there.

Unlike a bus tour where you spend more time on the bus than actually seeing the country, River Cruises offer you fine food, great service and scenic cruising along some of the world's great rivers.

River Cruises visit at least one port a day on virtually every itinerary and you can explore small villages off the beaten path that are inaccessible via an ocean cruise. Docking in the heart of town, you'll have more time to see the cities, not just travel to the cities. You'll experience ever - changing riverside scenery as well as local nightlife when your ship overnights in port.

Last but not least, river cruises generally include most shore tours/excursions in the price, making them an excellent value.
